## Your Money-Making Ideas

**Exercise:** Make a list of 25 money-making ideas. Be creative. Practical. Inventive. What can you do to earn or receive more money? Allow your mind to consider ideas you've never thought of before. Set a timer for 15 minutes. Just write down what "pops up" in your mind. Do not censor yourself. Let your intuition fly. You may want to make a ritual out of this exercise. Light a candle. Say a prayer. Call in your angels to help you. Make this time sacred.

**Review your list.** Circle the 5 easiest money-making ideas to do right now. Then ask yourself: *What action can I take within the next 24 hours to execute this idea?* (Write your answer below.)

How will you **reward yourself** for taking action? Treats are beautiful incentives at any age. Another way to look at it: How will you celebrate your willingness to move in the direction of your dreams?

**NOW TAKE ACTION. Just do it. Don't over think it. Go for it.** You will be amazed by what will show up. 😊
